

PHOTOS: Ohio State's Early Enrollees, Including Quarterback Justin Fields, Introduced On National Signing Day

Ohio State isn't expecting many new additions on National Signing Day, but the Buckeyes had already signed 15 prospects during the December early signing period. Of those 15, six enrolled in January, as did quarterback Justin Fields, who transferred to Ohio State after spending the 2018 season with Georgia.

The newest Buckeyes met with the Ohio State media Wednesday morning for the first time for a 30-minute interview session.
