Thirty-five years ago, the Ohio State football team worked through a quarterback battle between Jim Karsatos, who was a rising junior, and Tom Tupa, who was a rising sophomore.

We delved into the Buckeye Sports Bulletin archives and uncovered our coverage of that quarterback competition from our May 1985 issue, which also included stories on the spring game and the NFL Draft.

Also, with the death of former Ohio State athletic director Bill Myles, we included Myles' Michigan Memories story from a Nov. 2001 issue of BSB.

This installment of BSB Reprints includes in-depth coverage of the Karsatos-Tupa quarterback controversy and more from 1985, as well as the late Bill Myles' Michigan Memories.
