

# BSB TV: Dixon Dissects Performance, Fuller Discusses Return After No. 4 Ohio State Owns Rutgers

On opposites sides of the ball, fifth-year senior wide receiver Johnnie Dixon and junior safety Jordan Fuller filled key roles for Ohio State on its way to a 52-3 breeze by Rutgers in the Big Ten opener.

As the No. 4 Buckeyes (2-0, 1-0) enter a primetime matchup Sept. 15 vs. No. 16 TCU at AT&T Stadium in Arlington, Texas, how do Dixon and Fuller feel about OSU after it slashed the Scarlet Knights (1-1, 0-1)?

The two team captains break down their thoughts across multiple areas of importance on offense and defense in postgame interviews from Saturday at Ohio Stadium.

## Johnnie Dixon

*On head coach Urban Meyer's practice presence throughout the week...*

"I think you get a different feel because Coach Meyer is Coach Meyer. He's a very serious dude. Not saying Coach Day isn't by any chance, but he's a different dude and you know (Meyer) hasn't been out there, so he was eager to be out there. It was a little bit of a different approach. Different guys have to step back and he steps into his role."

*On his 10 touchdowns on 23 catches after he nearly retired from football...*

"I just hope God continues to bless me, you know? That's all it is. Almost leaving the game, not having any catches or any touchdowns, that's just nothing short of a blessing."

*On his home-run-hitter role for sophomore quarterback Dwayne Haskins...*

"I don't think I'm the only guy. I think we have a group of guys that can do the same thing. It's just

who's in there at what time."

## **Jordan Fuller**

*On his motivation to return against Rutgers after he sat out the season opener...*

"Last week we got the win, but we definitely left the field with a bad taste in our mouths. We felt like we had something to prove to ourselves and to the country. I feel like we took a step today."

*On how sophomore safeties Jahsen Wint and Isaiah Pryor played against Oregon State...*

"It was really just more in-game adjustments and I was just talking to them on the sideline and after the game. I didn't feel the need to get on them because they didn't play terrible. They both played solid. It was just a couple plays."

*On how hard it was to watch the defense surrender big plays vs. Oregon State...*

"As a defense, we don't like any plus-25-yard plays, let alone 70 yard runs. That definitely hurt and left a bad taste in our mouths. All week in practice, we were motivated to change that narrative (against Rutgers)."
