

Podcast: Bold Predictions For The Buckeyes

Fall is back in Columbus, which means it's time for Ohio State football talk and Patrick and Wyatt have plenty of it this week. First, a breakdown of some of the news of the week, including opt-ins across the Big Ten, a Noon kick for week one and a brief talk about why you shouldn't get upset about the AP Poll.

Next up is the meat of the show: five bold predictions for Ohio State this season, that will come up again after the season to see how close some of the predictions were, and how hilariously off others were. Patrick and Wyatt accidentally bully Josh Proctor and Michael Thomas.

Then, a quick breakdown of the NFL action, college football reactions from week four and a look ahead to week five.

Lastly, the latest Bucks Box. If you want to play along at home, Wyatt rattles off the stats on the show, but you can also find them right here.

1st Downs	15	16
3rd down efficiency	6-15	11-20
