

Podcast: Picking The Over/Under For OSU Stats

While it's still not season preview time for the Buckeye Sports Bulletin Podcast quite yet (next week!), there is still plenty of Ohio State football to predict and to talk about, just over two weeks out from game one against Nebraska.

To do that, Patrick and Wyatt took a look this week at some in-house over/under (read: set by us) lines for individual statistic performances from some of the top Buckeyes this season, along with a few national lines that could play a role in the playoff race. The entire list of questions and picks is included below for the sake of posterity (and to go back and laugh at in January).
