

Podcast: Who Does Ohio State Protect From A CFB Expansion Draft?

We wanted to have some fun with it this week, so in honor of the NHL expansion draft, we've created our own. College football is adding a new member, and it gets to pick one player from each existing team. Like in the NHL, teams can protect 22 percent of their players, roughly 19 of an 85-man roster in college football, nine on offense, nine on defense, one specialist. In this episode, it's our job to pick Ohio State's protected players.
