Coach Meyer,

Please allow this email to serve as confirmation that under the terms of your suspension, you were authorized by the University to have one opportunity to meet with the football student-athletes and coaching staff in order to apologize to the team. I understand that this meeting took place, with Athletic Director Gene Smith present, on Thursday afternoon (August 23) for roughly 45 minutes at the Woody Hayes Athletic Center.

As you know, no further contact with University staff or students related to your role as Head Football Coach is permitted through September 2, 2018, or on the 24-hour period around game days on September 1, 8 and 15.

If you have any additional questions, please feel free to contact me.

*Regards,
Susan*
